Lay slabs quickly and precisely with the Probst handheld vacuum lifters

FXAH-120-GRABO-GREENLINE and
FXAH-120-GRABO-PRO-LIFTER-GREENLINE –
100 % battery-powered.

- For natural stones, tiles, concrete slabs and other absorbent building materials
- Grab slabs from the top, not the sides: this protects the edges and allows precise laying
- Maximum load capacity 120 kg
- Battery-powered (runtime up to one day in normal operation)

The handheld vacuum lifters
now with digital display and
automatic switch-off

probst
handling equipment

FXAH-120-GRABO-PRO-LIFTER-GREENLINE

The digital generation

NEW

Automatic switch-off protects the battery

Once the required vacuum is reached, the pump switches off automatically – this extends the battery life and reduces noise emissions.

With digital display

The new display ensures the best readability of the negative pressure and the working load.

Waterproof plastic case

Perfectly protected against tough construction site use: waterproof, break-proof and dust-protected.

Type	Dimensions L x W mm (in)	Battery Cap. (Ah)	Working Load Limit/WLL kg (lbs)	Dead Weight kg (lbs)	Order no.
FXAH-120-GRABO-PRO-LIFTER-GREENLINE	300 x 180 (11 3/4 x 7)	2.2	120 (265)	1.6 (3.5)	58500014

FXAH-120-GRABO-GREENLINE

The young classic

Equipped with an analogue pressure gauge, the FXAH-120-GRABO-GREENLINE comes in a lightweight, durable fabric bag.

Practical accessory eyes

With the Probst handles or wheel set, you can work even more ergonomically with both tools.

Scope of delivery FXAH-120-GRABO-GREENLINE:

Vacuum hand laying device, Charger (110 V to 240 V) 1 x lithium-ion battery, spare rubber seal and replacement filter. Supplied in lightweight soft case.

Scope of deliveryg FXAH-120-GRABO-PRO-LIFTER-GREENLINE:
